Featured role

Asset Manager

About the role

Victoria has seen a surge in demand for qualified and experienced Asset Managers with experience across ISO55001 principles. Strong demand is being driven by the state government in relations to asset management reform. In addition, there is demand from the private sector across a range of asset owners, consultancy and service providers.

Permanent salary (AUD/000)

65 - 185

Key skills/attributes

- ISO55001 qualifications/certification
- Ability to develop strategies linked to capital funding and budget cycles
- Strong ties to capital project delivery teams and maintenance functions

This salary guide is a compilation of salary and market information provided by Hudson consultants, clients, candidates and other sources across Australia. Information was gathered by drawing on the extensive knowledge of our specialist recruitment consultants across Hudson's specialist practice groups. Salary ranges are approximate guides only. They relate to base salaries and exclude superannuation/bonuses/incentive schemes/stock options.
