Supply Chain | Melbourne

Salary Guide

Featured role

Supply Chain Manager

Permanent salary (AUD/000)	Contracting rates (AUD/hr)
120 - 160	70 - 100

About the role

Whether it's a value-adding domestic supply chain or a complex international distribution chain, Supply Chain Managers are integral to the successful operation of many Victorian businesses. Greater service levels are determined by supply chain efficiencies, hence more companies in Australia are using supply chain management as a source of competitive advantage.

Key skills/attributes

- Strategic thinkers with an ability to integrate business planning with operational KPIs
- Proven capability to drive operational efficiencies through third-party suppliers
- Experience with change-management projects (warehousing, systems, people)
