## Featured role

### Organisational Capability Manager

Permanent salary (AUD/000)  
130 - 160

#### About the role

This role is a hybrid role between a learning consultant and a HR business partner. Working strategically with the business's senior leaders, an Organisational Capability Manager is usually an individual contributor who consults on the long-term capability needs of a business.

Their work scope varies from top level L&D with competency frameworks, performance gaps and talent management.

#### Key skills/attributes

- Solid background in learning and development and some generalist background
- Strategic thinking, even if they aren't hands on with the delivery of elements

This salary guide is a compilation of salary and market information provided by Hudson consultants, clients, candidates and other sources across Australia. Information was gathered by drawing on the extensive knowledge of our specialist recruitment consultants across Hudson's specialist practice groups. Salary ranges are approximate guides only. They relate to base salaries and exclude superannuation/bonuses/incentive schemes/stock options.
